

how to clean & sanitize a kitchen counter

Use disposable paper towels for steps 1-4. Use a new paper towel for each step.

- 1** Remove any food from the surface.
- 2** Wash the surface with soapy water.
- 3** Rinse the surface with clean water.
- 4** Sanitize the surface.
You can spray the surface with a bleach solution or wipe it with a sanitizer wipe.
- 5** Let the surface air-dry.
